Dear Brother Chalk:

Thank you for your letter of 2/15/66 noting the change of time for you on our Campaign Workshop. We are looking forward to hearing this and the many other fine lessons which are scheduled. Interest in the workshop at ACC seemed to be very high. I believe we will have a full house.

The tape which I Received from you and also a similar tape received from a brother who handles production of recording for the Herald of Truth does not have the quality that we must have for album production. There is a low volume spot which occurs two or three times in both tapes which cannot be overcome, therefore, we would like to record at least two sermons when you are in your next meeting in this area. Would you please give me a schedule of your meetings in this vicinity, with the approximate night you expect to deliver the lessons in question. We are still very interested in getting these out as soon as possible.

We appreciate your cooperation in all things, commend you for your vigorous activities in the Lord's work and pray for your continued health and success.

Sincerely,

Woody Stovall
